

At Jason Wiener | p.c., we are a boutique law and consulting firm serving mission-driven businesses, social enterprises, and environmental ventures. As attorneys, cooperators, and social entrepreneurs ourselves, we understand the path our clients are on—because we’ve walked it too. We believe business and ownership can be powerful tools for creating social and environmental change. As a Public Benefit Corporation, our commitment to a regenerative, sustainable economy isn’t just a goal—it’s part of who we are.

OUR CLIENTS

We work with values-aligned companies and nonprofit organizations across a wide range of industries. Our focus is on supporting entities that aim to make a positive impact, especially cooperatives, public benefit corporations, and other mission-first business models. We help our clients embed their values into their legal and governance structures—so their purpose is protected as they grow.
